And finally..... The Bennett's Lane sign disappeared a couple of weeks ago. If you find yourself travelling along country lanes around and about, keep your eyes peeled just in case - David Brookes spotted (and retrieved) an abandoned Loxley Lane sign when he was out in his car. Fingers crossed it is out there somewhere, and not adorning someone's beer garden.

## Penny's Recipe of the Month

### Rhubarb & Yoghurt Desert

This is the right time of year to buy English Rhubarb, the very best is from Yorkshire however if you can't find any in the supermarkets you can get English rhubarb from other parts of the country - eg Herefordshire rhubarb is available in Waitrose, which I am very happy about as I emailed Waitrose and complained about them stocking rhubarb from the Netherlands. This recipe is quite simple and easy, and now is the time to use it.

Buy your rhubarb and wipe it clean, cut into pieces about 1 inch long place in a saucepan and add a little water and a good dollop of caster sugar. Cook until soft, then gently boil for 5mins stirring occasionally. Remove from heat and cool before putting into ramekin dishes. When the rhubarb is cool spoon on top some vanilla yoghurt and spread around the ramekin. With some soft brown muscovado sugar, sprinkle a dusting over the yoghurt and put in the fridge. Serve as a desert which is delicious. Trust me I am from Yorkshire!!!!

## Let's slow fast fashion down!

**THRIFT+**  
FASHION FOR GOOD

Thursday 22nd April marks Earth Day! Now is the time to tackle the environmental impact of the clothing industry.

Yes, 920,000 tonnes! Or to put that into perspective, 73% of all clothes produced end up incinerated or in landfill. What's more, the fashion industry emits more carbon every year than planes and ships combined! This is an issue very close to my heart and I am passionate about driving change toward a more sustainable future for fashion.

I have recently become an ambassador for the second-hand clothing store Thrift+. Thrift+ stock quality second hand clothes, and allow members to

donate to a UK registered charity of their choice, with the option to earn credits for future purchases.

As we celebrate Earth Day this month, I urge readers to consider taking little steps to adjust shopping habits... Reuse, Reduce, Recycle ☺

### Covid-19 Road Map

As restrictions lift, the next step (May 17<sup>th</sup>) should see the use of the church extended for meetings as well as public worship. Funerals continue to be restricted to 30 mourners until 21<sup>st</sup> June at the earliest.

friendships difficult and his physical development also became a concern. All he wanted to do was snuggle under a blanket and play on the computer or watch TV. I'm sure there are many other parents who have found it extremely difficult to motivate their teenage children this past winter.

However, the recent better, warmer and drier weather has significantly helped, alongside all the 'nagging', explaining and encouraging we've been doing as supportive parents. He offered to mow the lawn last week (which he did terribly but it's the thought that counts!) and he has started to meet friends outside, being more active on a regular basis.

National Children's Day is a time of reflection and looking forward, a time to consider how to support, nurture and nourish the young. There are many ways in which support can be provided to the children in your own family, in your network of friends and within our Bramshall community. I can't wait for the restrictions to be lifted to enable us all to provide more for one another.

## National Children's Day Sunday 16<sup>th</sup> May 2021

National Children's Day UK is all about the importance of a healthy childhood, and how we need to protect the rights and freedoms of children in order to ensure that they can grow into happy, healthy adults. It's a day of celebration, but it's also a great opportunity for councils, local services, community groups, hospitals, sports clubs, schools, charities, families, carers - anyone involved with children - to raise awareness about projects they are running or things they care about. (NCDUK2021 website).

With Covid being less of a risk now than in previous weeks, it seems fitting that we hold a national day of celebration for children and think about what we can do to mitigate some of the negative impact corona virus restrictions have had on the lives of the young. I am immensely grateful that we are now allowed to take our young daughter to see family relatives that live a great distance away from us. Her relationship with her distant grandparents has significantly suffered and I'm looking forward to planning lots of 'meet ups' so we can begin to build those essential relationships again.

At the tender age of nearly two, our main concerns have been about our daughter's social development and the lack of opportunities to build relationships with other children and adults. These relationships are vital for; developing her language skills, as she hears others saying new words and phrases, thus developing her speech and vocabulary; developing her social communication skills, such as formal (good morning) and informal (hi) ways to greet people and how to take turns in a conversation or when playing; and recognising her own and others' emotions and how to respond. The importance of social interactions can not be underplayed for children in their early years.

I am also acutely aware how difficult my older son has found the past few months. Not only was the weather cold, wet and dark, but with the tight restriction of only meeting one other person, he found opportunities for building and developing

### Baptisms / Weddings

The restrictions of the past year have greatly impacted on plans for weddings and Christenings. With the prospect of the removal of these restrictions after 21st June, you may now be considering these important life events, and I would be delighted to help in any enquiries relating to these.

### Easter Bunny Hunt

Many thanks to all involved - what a success!! Over 80 Easter goodie bags were collected from church; suggesting a footfall of over 200 people around the Parish Hall and Church on a gorgeous Easter afternoon.

### DIGGING INTO THE PAST

Church Minute books date back to the early 1920's and I found them fascinating to see what went on. Computers were nowhere in sight and so I have typed all the hand written minutes and now give a little insight into the year 1923.

**The Annual Parochial Church Meeting** was held in the old Parish Hall at the end of the church drive in February with Rev L Knight-Smith in the Chair:

#### Accounts:

Mr J. Allen presented at statement of accounts showing total receipts £169.3.7 ½ – Total expenditure £146.0.8 1/2, leaving a balance in the Bank of £23.2.11. Much satisfaction at this excellent result was expressed, especially in view of the fact that the balance due to Messrs Ward & Godbehere of £48.10.10 (for heating apparatus) had been met, that the churchyard (trees and hedges) had been trimmed and the interior of the church had been redecorated at a cost of £37.10.0, that the clock had been repaired total (£7.10.0) and that the lead gutters on the roof of the church had been treated with "Texo" (£7.10.10). On the proposition of Mr Whittaker, seconded by Mrs Allen for the excellent manner in which he had performed the duties of Hon. Secretary/Treasurer.

The following were then duly elected:

Ruridecanal representative: Miss Griffin

Parochial Church Council:

Mesdames: Potts, Deakin, Loverock, Gould

Messrs: Richards, Statham, Allen, Buckley, T. Durose (The Grange), T. Durose (Bank Top), Lindop, T. Fradley Snr, J. Mycock, J. Bentley, J.C. Deville & W. Ellaway- Smith.

A letter from Mr W. Taft, Secretary of the Parish hall notifying that the charge for Church Council meetings would be 10/- per annum was read and agreement was expressed.

**Parochial Church Council** meeting at 8pm in the Parish hall March 2<sup>nd</sup> 1923, the Vicar in the chair. The minutes of the last meeting were signed.

#### **Election of Secretary/Treasurer:**

Mr J. Allen was re-elected as Secretary / Treasurer,

#### **Lamps:**

It was suggested that during the winter months the approaches to the Church should be lit by lamps.

#### **Paths:**

A good deal of discussion took place as to having the churchyard path treated with tarmac. A sub-committee consisting of the Wardens and Mr Statham was appointed to go into the matters and it was resolved that if the cost of the necessary gravel and tarmac were not to exceed £20 the work should be carried out – proposed by Mr Lindop and seconded by Mr DeVille.

#### **Churchyard:**

The Churchwardens were requested to have the grass in the churchyard closely cut and kept down, also the work of repairing and painting the exterior gate be carried out.

#### **Collections:**

It was decided that the collections at the Harvest Festival should be given to the Hospital and those on WhitSunday to the Society for the Propagation of the Gospel (S.P.G.)

It was also decided that a meeting on behalf of S.P.G. should be held on June 5<sup>th</sup>.

#### **Sunday School Festival:**

It was suggested that Sunday School Festival should be held and that the Rev. N. Price should be invited as Preacher.

Investigating just one person mentioned in these minutes you might be interested in knowing about: MR GEORGE MARTIN

Sometimes you can associate the name on a grave as having importance for the village; for instance Mr George Martin who farmed at Holly Grange with his wife Mary. They both came from Leek and married in 1907. Mary died 22<sup>nd</sup> May 1936 aged 63yrs and George 4<sup>th</sup> January 1955 aged 79yrs. The land on the north side of church where they are buried, he donated to church; and a barn which became the old parish hall he donated to the village. He was Churchwarden for many years. According to the 1911 census Hilda Cotterill aged 18yrs helped in the house and Edwin Steele was their Cowman and Charles Wood their Waggoner.

Do send in any information you may have on any the people stated in these minutes. Joe and Jenny Wall compiled the Bramshall History up to around 1900 so through the news sheet it would be good to start looking at 1900 on so stories, photographs can be printed through this medium, and then kept separately to start a compilation for future generations.

### Something different for the Village

This type of 'Pop Up' has been appearing around the area for several months now, so we thought that Bramshall should 'get in on the action'. Thanks to Sue Bufton who has organized this on our behalf. Please support, remember social distancing, and enjoy the occasion.

arranging a small

My aim is to get local companies such as Ashmores Ice Cream, Project.donut, Bear Coffee, and The Travelling Taverna to come to the Parish Hall between 12pm and 3pm and offer their goods for sale then the big event of my head being shaved at 1.30pm. I've currently raised over £3.9k in total and I'm hoping to raise even more. Further details about the charities I'm doing this for and also where you can donate can be found here :
